

Pricelist

stamps with additional prints and envelopes with additional prints

1. The price for setting up a commemorative establishment for the production of stamps with additional prints as per subclause 2.10 of the Business Terms and Conditions of Sale of Stamps with Additional Prints and Envelopes with Additional Prints (hereinafter referred to as "the Business Terms and Conditions") is set by agreement.
2. The price of a single print sheet (hereinafter referred to as "PS") with stamps with additional prints is the sum of the face values of the stamps in the PS (excl. of VAT) and the price of additional prints on the coupons and on the PS (incl. of VAT) in relation to the ordered quantity and number of used motifs on the main coupons (hereinafter referred to as "MC"):

| Quantity of ordered PS | Price (CZK) of additional print incl. of VAT / 1 PS | | |
|------------------------|---|------------------|------------------|
| | 1 motif on MC | 2-3 motifs on MC | 4-9 motifs on MC |
| 1 – 9 | 130 | 190 | 350 |
| 10 – 199 | 120 | 180 | 340 |
| 200 – 2999 | 90 | 150 | 330 |
| over 3000 | as agreed | | |

The face value of stamps can be expressed either in numerals with the currency symbol or as a single letter symbolizing the following prices as per the current version of the Pricelist of Basic Postal Services:

- A – current price of Ordinary Letter – Standard up to 50 g in the domestic service, priority delivery mode;
- B – current price of Ordinary Letter – Standard up to 50 g in the domestic service, economic delivery mode;
- E – current price of Ordinary Item up to 50 g – European countries in international priority service;
- Z – current price of Ordinary Item up to 50 g – non-European countries in international priority service.

Current price of the above-mentioned services paid for by stamps identified with a letter is the price valid as of the day of payment, day of receipt in person or day of handover to the first carrier, whichever comes first, but not sooner than the day of publication of new issues.

3. The price of one TL stamps with additional printing in the SPECIMEN modification is determined in the amount of the price of additional printing on coupons of one TL stamps with additional printing (incl. VAT) according to point 2 of this Price List.

TL in the SPECIMEN modification can be ordered exclusively when ordering from 200 TL in the number of a maximum of 10 pieces of TL stamps with additional printing and it is necessary to order them simultaneously with the order of stamps with additional printing and at the same time beyond the required order quantity.
